

# Am I Magnetic?

Select 10 items to test.

Predict if the item will be attracted to the magnet and record your prediction.

Test your items and record the results in your journal.

Answer these questions in your journal:

Look at the items that were attracted to the magnet. What do you think they all have in common?

What do you think: Do magnets attract underwater? Yes or No Explain your answer.

Test it...what happened?

Use the container of water and test to see if magnets will attract under water.

Explain what happened...
