

## Two Tree Toads

by Jon Agee

A three-toed tree toad tried to tie

A two-toed tree toad's shoe.

But tying two-toed shoes is hard

For three-toed toads to do,

Since three-toed shoes each have three toes, 5

And two-toed shoes have two.

"Please tie my two-toed tree toad shoe!"

The two-toed tree toad cried.

"I tried my best. Now I must go,"

The three-toed tree toad sighed. 10

The two-toed tree toad's two-toed shoe,

Alas, remained untied.
