

Puzzles #1

Provide a series of clues for each vocabulary word. Each clue should narrow the range of possible answers.

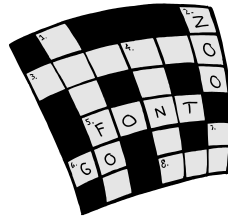

The following clues lead to the words disguised and prosperous.

1. *This _____ man has worked very hard.*
2. *He has earned money and wealth.*
3. *The word begins with a **p**_____ and has ten letters.*

1. *You won't know who this person is.*
2. *He has a costume of some sort.*
3. *He is **d**_____.*

Puzzles #2

Many teachers like using crossword puzzles. However, they take a great deal of time to develop. The following website provides a crossword puzzle generator. For an even more valuable experience, provide older students with a list of words and allow them to create their own puzzles.
