

Bananas and Cream
By
David McCord

**Bananas and cream,
Bananas and cream,
All we could say was
Bananas and cream.**

**We couldn't say fruit,
We couldn't say cow,
We didn't say sugar-
We don't say it now.**

**Bananas and cream,
Bananas and cream,
All we could shout was
Bananas and cream.**

**We didn't say why,
We didn't say how;
We forgot it was fruit,
We forgot the old cow;
We never said sugar,
We only said WOW!**

**Bananas and cream,
Bananas and cream;
All that we want is
Bananas and cream!**

**We didn't say dish,
We didn't say spoon;
We said not tomorrow,
But NOW and HOW SOON**

**Bananas and cream,
Bananas and cream?
We yelled for bananas,
Bananas and scream!**
