

Bananas and Cream

by David McCord

Bananas and cream,
Bananas and cream,
All we could say was
Bananas and cream.

We couldn't say fruit, 5
We couldn't say cow,
We didn't say sugar-
We don't say it now.

Bananas and cream, 10
Bananas and cream,
All we could shout was
Bananas and cream.

We didn't say why,
We didn't say how;
We forgot it was fruit, 15
We forgot the old cow;
We never said sugar,
We only said WOW!

Bananas and cream, 20
Bananas and cream;
All that we want is
Bananas and cream!

We didn't say dish,
We didn't say spoon;
We said not tomorrow, 25
But NOW and HOW SOON

Bananas and cream,
Bananas and cream?
We yelled for bananas,
Bananas and scream! 30
