

**Little Black Bug**

by Margaret Wise Brown

Little black bug,  
Little black bug  
Where have you been?  
I've been under the rug,  
Said little black bug.  
*Bug-ug-ug-ug.*

Little green fly,  
Little green fly,  
Where have you been?  
I've been way up high,  
Said little green fly.  
*Bzzzzzzzzzzzzzzzzzzzzzz.*

10

Little old mouse,  
Little old mouse,  
Where have you been?  
I've been all through the house  
Said little old mouse.  
*Squeak-eak-eak-eak-eak.*
