

Sunshine Elementary has 216 first graders and 278 second graders. All of the first and second graders are on the playground. How many students are on the playground?

Explain your reasoning with drawings, words, and/or numbers.

\_\_\_\_\_ students are on the playground.

Of all the first and second graders on the playground, one hundred of the students were playing on the blacktop. The rest of the students were playing on the field. How many students were playing in the field?

Explain your reasoning with drawings, words, and/or numbers.

\_\_\_\_\_ students were not playing on the field.

Write an equation to match the situation.
