

Teacher Moves

What do you know about the problem?

What is happening in the problem?

Can you tell me how you solved it?

What did you do first?

Could you do that again for me?

Could you solve it a different way?

What could you use to help you solve this problem?

How did you know to do _____?
What in the problem made you think that?

Does this make sense for the problem?

Could you show me what that would look like?

Could you write a number sentence for that?

What numbers did you use? What did you do with the numbers?
