

Name: _____

1. From the following, circle the shapes that have an area:

A:

B:

C:

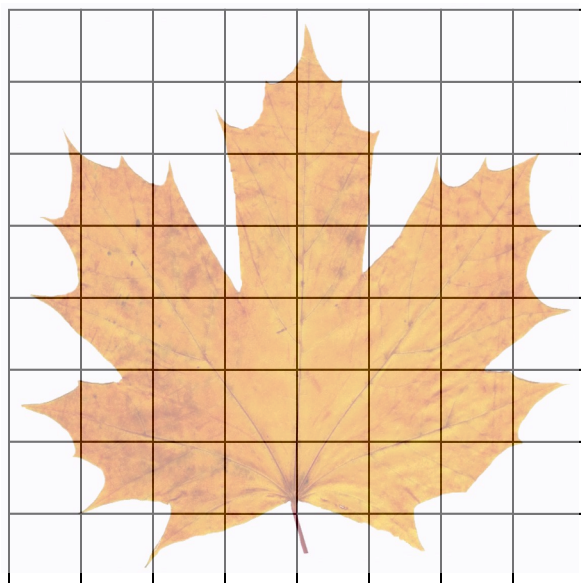

D:

2. Use the square as the unit of measure. What is the area of the leaf?

Show your work.

Formative Assessment Record

Area Unit 2

Indicate the levels of mastery demonstrated by circling those for which there is clear evidence:

Item	Level <small>Circle highest level of performance</small>	Description	Notes
Item 1 Area as Space Enclosed by Figure	ToAM 1A	Circles all figures. May include line if justifies by saying that it has some small thickness.	
	NL	Circles only the trapezoid (thinks that area is only for figures without curves).	
Item 2 Using counts of units for area.	ToAM 3F	Partitions unit and combines like partitions.	
	ToM 3C	Counts only whole units contained within contour of the hand.
